## Brief Description

This spacious detached bungalow is situated off a small tributary of Donnerville Gardens, being one of just four properties. The accommodation is approached through an enclosed entrance porch with door opening into the generous entrance hall which houses two useful storage cupboards, one housing the modern boiler and one the hot water cylinder. Double doors open into the airy lounge / diner, with its feature vaulted ceiling and fireplace with windows to each side of the chimney breast (we understand that the gas fire has been decommissioned). Sliding patio doors open into the conservatory, which provides a space to enjoy the garden throughout the year. Off the lounge / diner is an inner hall which provides access to the two double bedrooms (one of which has direct access into the conservatory) and family bathroom. From the main entrance hall a door leads into the breakfast kitchen, located to the right hand side of the property, which has a range of base and wall mounted wooden fronted units of

cupboards and drawers with contrasting work surfaces and complementary tiling. The kitchen features an integrated under counter fridge, washing machine and fan assisted oven with gas hob over. Off the breakfast area is a further door, giving access to the conservatory. The master bedroom is also found off the main entrance hall, to the left, and benefits from built-in wardrobes having mirrored sliding doors, one of which opens to reveal the fully tiled en-suite shower room adjacent.

Externally, the property is approached over a shared driveway, which leads to the tarmac driveway providing parking space for several vehicles. The detached double garage features an electric up-and-over door, power, light and a courtesy door to the side. Lawned gardens with borders of established shrubs surround the property, with a large proportion of the rear garden being laid to flagged patio entertaining space.
