Brief Description

This well maintained and well presented end of terrace house has provided a much loved family home for decades. The property is entered through a porch with door opening into the entrance hall, having stairs to the first floor landing. Off to the right is the lounge with a window overlooking the front garden and feature fireplace housing a gas fire. To the rear is the full width kitchen/diner with windows overlooking the rear garden and courtesy door to the patio area. The kitchen area contains a comprehensive range of base and wall mounted cupboards and drawers with complementary working surfaces and inset sink unit, provision for a washing machine, free standing oven and space for an upright fridge freezer. There is a useful pantry style storage cupboard which extends under the stairs. A further gas fire provides heat to this room.

Stairs ascend to the first floor Landing with window on the side and access hatch (with fitted ladder) to the majority boarded loft storage space.

Bedrooms one and three (which has the overstairs bulkhead – and useful built-in shelves over) both overlook the front of the property, with bedroom one having a built in airing cupboard housing the hot water cylinder. Bedroom two has a rear aspect. The family bathroom features a white three piece suite with a frosted rear aspect window. The accommodation benefits from uPVC double glazing and is partially heated by electric storage heaters.

Externally, the property is approached over a tarmac driveway with double timber gates leading to the rear garden. The remainder of the front garden sits behind a low wall, having shaped lawn with neatly planted borders. The rear garden is a most attractive space, majority laid to lawn with a patio seating area, finished with established borders of shrubs and perennials, an ornamental pond and shed.
