Brief Description

A fantastic opportunity to purchase a complex of Barn Conversions in the beautiful, idyllic Hamlet of Charlton. This unique complex provides Three attractive Barn Conversions, which have been improved by the current owners to offer revised accommodation, retaining period features throughout, with stunning beam work visible within all three conversions.

The complex then benefits from two further Barns (one attached and one detached) which provide fantastic sized garaging and workshop buildings. All of the barns surround a lovely gravelled courtyard.

Charlton Barn - An impressive Barn conversion with substantial sized accommodation throughout having been revised and improved by the current owners. A recessed Entrance Porch leads into a Reception Hall - off to the left is a fabulous Kitchen / Breakfast room enjoying a stunning arrangement of bespoke units including integral American style Fridge / Freezer, microwave, dishwasher, double Range style cooker and feature central island unit. A door leads into the Dining Room with double doors out to the courtyard; further door opens into the spacious Lounge with stunning Inglenook style fireplace with multi-fuel stove and stairs to the first floor. From the Reception Hall a door leads off to the right into the Utility Room which again has a good range of units, door into a ground floor Shower Room with white three piece suite and provision for an appliance. From the Utility a door opens into the Family Room.

Stairs ascend to the first floor Landing with good sized storage cupboard and door into the principal Bathroom with a white three piece suite. Bedroom One provides a spacious room with Dressing Area and door into the En-suite Shower Room. There are then two additional Bedrooms.

Rose Cottage, located in the corner of the complex, is a charming Barn conversion which has also been revised and improved by the current owners and provides accommodation all on one level. A door opens directly into the Kitchen which provides a range of fitted units, integral oven with hob, space and provision for appliances. There is a large walk-in storage cupboard. The Lounge / Diner has two windows overlooking the neighbouring farm; a door opens into the Study or Guest Bedroom while glazed double doors open into the Bedroom with French doors to the courtyard and a door into the En-suite Shower Room.

Peacock Cottage - This Barn Conversion is a Detached stand alone property which provides deceptively spacious accommodation throughout. Entering into the Kitchen which has a range of fitted units and drawers with integrated oven and hob, breakfast bar area and space for appliances; there is an open flow into a spacious hallway which runs from left to right and the rear of the barn - off to the left is the Lounge with French doors and side windows overlooking the courtyard. To the right the Hall continues around to the Two Bedrooms and Shower Room with three piece suite.

The Old Pool House & Garage - This is an impressively proportioned Garage block with an abundance of space, double garage doors and two further single doors; good sized storage room. Part of the area has a filled in pool. A door opens to a staircase which ascends to the boarded first floor attic space where the sizing mirrors the accommodation beneath but with an array of exposed beams and trusses to the roof space.
